2024/2025 Registration Information

It's time to register new students for the 2024-2025 school year! Please read the following information carefully.

NOTE: You only need to register your child if they are not already attending school in the district. You can safely ignore this message if your child is a student in a district school or if they are transitioning between elementary, middle, or high school.

New registrations for the 2024-2025 school year will open on **November 6, 2024** and close on **January 26, 2024**. As long as you register before **January 26, 2024**, the day you register will not affect your chances of getting into your catchment school.

1. Although we do our best to place new students at their preferred schools, it is regrettably not always possible. Our district has significant capacity challenges because of limited space in schools and a growing student population.
2. If the number of requests for a catchment exceeds the number of available spots, the district reserves the right to use a lottery system to determine placements.
3. The district will confirm all enrollment requests by the end of **March 2024**.

For more information, [learn more about capacity status at our schools](#).

How to Register a New Student as a Parent or Legal Guardian

1. Book a 10-minute appointment with our Registration Team.
2. If you need a translator for your registration appointment, please let us know in advance and we will do our best to accommodate your request.

2. Bring a completed [registration form](#) and copies of the documents outlined in the [Document Guide for Parents and Caregivers](#). **OR** Bring original versions of the documents outlined in the [Document Guide for Parents and Caregivers](#) and our team will help you print, photocopy and complete the required paperwork.
3. If you do not have the suggested documents outlined in the Document Guide, our team will be happy to speak with you confidentially to find a solution.
